

Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Hello parents,

Here at BBS we truly believe in educating the "whole child" and as we all know a lot of education is not purely academics and happens outside the classroom.

We therefore set a lot of store by trips outside of school and are delighted to take out wonderful students to places of interest to enrich their learning.

Mr Marco our fabulous Leader for KS2 writes:

Our Year 3-6 students had their termly trip this year to KidZania,

They had so much fun and were able to explore different career possibilities. They had the opportunity to work, play and take responsibility in various work areas with different challenges.

KidZania is an interactive city that is being operated by kids. It allows the students to role-play and mimic real-world roles that are performed by adults in the working environment.

I would like to thank each student and teacher who went on the trip and made this an unforgettable day.

The Secondary school were treated to an amazing spectacle at the Louvre Museum:

Hamad Al Ansari Y8B
wrote this beautiful
poem about
the
Louvre.

What a way
to paint a picture
of
his
experience

Louvre, Abu Dhabi

Louvre Abu Dhabi that's the place to be
Don't believe me? Well just go and see
Then, I know you will surely agree
If excitement had a lock, then this is the
key

There are numerous amazing things
Like paintings of the queens and kings
Some statues even have wings
I even saw a painting of children on
swings!

Best museum on the globe, that's no lie
Your excitement levels well, must be
high

Some fascinating statues will make you
fly

Now you want to go, you cannot deny!

This is a museum I highly recommend
You will be in awe, you will barely
comprehend

Trust me, when you go you won't want
it to end

There is something amazing round
every bend!

With paintings and rocks that are a
thousand years old
They are splendidly fascinating sights to
behold

Especially the pharaohs who were once
mighty and bold

This museum is priceless, let the
mysteries unfold

Our stupendous English students and staff surpassed themselves once more last Friday as Mr Sherman writes:

The second part of the annual writing competition took place on Friday the 11th of November, with unique entries comprising both poetry and prose.

This high level competition was another interhouse event aimed at years 7-10, in which students had to showcase original pieces of text.

A huge congratulations to all those that took part, the contest was held in great spirit and fun was had by all. The event saw creativity and originality as well as growth and attainment from all students that participated. Their work was delivered in front of a panel of judges and an audience including their peers that was well received.

Writing competitions are aimed at promoting high levels of literacy and confidence in students to deliver authentic material.
