

Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Congratulations

During the winter holiday, Zayed Hicmat Akrabi 5A participated in the Adnoc Marathon and finished well in time. He received a bronze medal. Well done Zayed, we are very proud of you. He also participated in The Louvre marathon and he got 3rd place. Congratulations Zayed!

Pieter Marthinus Van Wyk 3A participated in the yearly Al Ain rugby festival and his team won the Cup final. He will also participate at the end of the month in the annual HSBC Rugby Tournament in Dubai at the Sevens Stadium. We as a school are very proud of your achievement and wish you the best for the rest of the season.

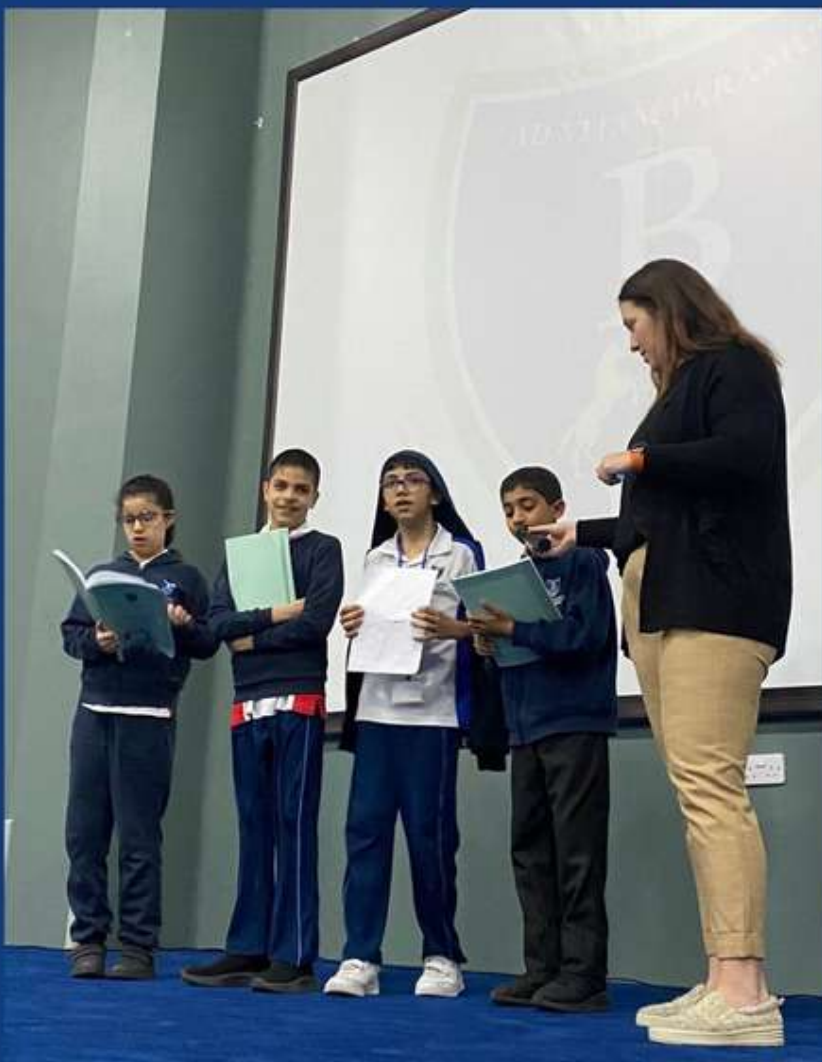

We would like to encourage all our students to please share the achievements they have outside of school so we can all celebrate this with you.

On Monday morning we have Mindful Mondays when all students stay in class with their Form Tutors to focus on Well - Being, then from Tuesday to Friday we have daily assemblies for each Key Stage. One day per week these are led by Key Stage Leaders and are held in the Multi Purpose Hall. On Tuesday Mr. Fred & Ms. Natalie take KS4 &5. On Wednesday Mr. Marco is joined by KS2 and on Thursday Ms. Netanye invites KS3 to join her. To end the week on Friday KS1 and FS2 come together with Ms. Shannon and Ms. Laura.

Wednesday ASSEMBLY

Here are some photos of the students that read out their English stories during last Wednesday's assembly:

We have our Performing and Creative Arts Festival coming up next week and exciting plans are afoot:

The art Room will be converted into a "cave " which is dark inside and students will take torches to see the " cave art" inside. After looking at the cave art they will be invited to make a "handprint " on the cave wall and will also be treated to a short film on cave art history.

We will also have an exhibition in the MPH with a few different categories: Still life drawings, canvas watercolor paintings, One point perspective drawings, positive & negative space artworks & denim jeans with starry night paintings.

Students t will also have the opportunity to bring any sculptures/3D structures/paintings they have done at home to display. We would also like to make an open call to the teachers ; leaders and support staff as well to display their art talent in the art exhibition.

- INTERNATIONAL DAY
PREPARATION

We had an extremely well attended PTSC event last Friday and would like to thank everyone involved for all the preparation and participation. Particularly to parents for taking the time to bring their children to have very meaningful and worthwhile discussions. We truly appreciate it!

MY TRIP TO LITTLE WORLD!

First I went to school and then we all went into the hall to listen to the teacher and principal. Then all the classes got on their buses and I sat with my teacher and seatbelted while the teacher was checking the students. And then we were on our way to Little World.

While we were on our way. I talked about my holidays to the teacher while I ate some food. A few minutes later we arrived at Little World. I was so excited to play there.

When I was there my eyes were big because the mall is very big. Secondly, we went on 4 escalators. I was pretty tired but I didn't give up so I kept on going.

And finally, we were at Little World. And the women told us to take off our shoes and put socks into the shoes. Inside Little World, I did really fun things. The first thing I did was arts and crafts and after that I made play dough. While I was playing the women called us into the cinema. It was dark and smokey there but I watched the movie. After the movie, I played with some more stuff.

An hour later a woman called us to go upstairs to do something. When we all got up we did some science "Ooh I wonder what we're gonna do." Then she told us we were going to do some electricity experiments. After that we learned some circuits and played packman. And Bernie was the winner of the game.

Finally it was lunch. When I sat down we had chicken, mac and cheese, mixed fruit juice, and fruit salad. After that we put on our shoes and socks and went down the escalator. We got on the bus and went back to school. It was a really fun day.

THE END

MY TRIP TO LITTLE WORLD!

On Monday, we went to Little World. It was fun. We went by bus and I was sitting at the back beside Nuhan, Vansh and Qasem. When we got there, we first went to robotics. My group was with Sultan, Nuhan and Vansh. In the end, our group won and got 5 points.

Afterwards, we did a creative writing activity and it was great. We also did a space activity, lots of people liked it. Then we had our food which was my favourite part. The chicken and mac and cheese was so good! So was the juice and salad. After lunch, we went back to school. It was an amazing day!
